

Arthur Thompson: Curriculum Vitae

Born in Albuquerque, New Mexico and raised in Montana, Arthur Thompson is a Vietnam veteran and holds a Bachelor of Science degree from City University in Bellevue, Washington. Mr. Thompson has authored textbooks on microprocessing and local area networking and a true life adventure, Diver Down: A Sailing Saga.

Arthur and his wife Vicki are both certified divers, ultralight pilots and have sailed across the Pacific Ocean as crew on a 53 foot Australian motor sailor. Arthur is a licensed private pilot and has been a certified sport diving instructor and ultralight basic flight instructor. Arthur and Vicki currently live in Washington State where they are putting the finishing touches on an MCI-9 bus that will soon become their motor home land yacht.
